

Company Commitment Statement

In light of the current international situation and related legal and sanction requirements, our company hereby makes the following commitment:

1. No Direct Cooperation with Russia

Our company will strictly comply with international laws and sanctions. We commit not to engage in direct business cooperation with any Russian companies, institutions, or individuals. We are dedicated to ensuring that all our business activities fully comply with the relevant regulations.

2. Prohibition on Sales to Russia via Distributors

We explicitly require all our distributors, resellers, and partners to adhere to this policy, prohibiting any direct or indirect sales of our products to Russia. We will strengthen the oversight and management of our distribution channels to ensure that our partners operate in compliance with our policies.

3. Enforcement Measures for Violations

Should we discover that any distributor, reseller, or partner violates these terms, we will immediately terminate the business relationship and take appropriate legal action to safeguard our company's interests and reputation.

We are committed to conducting business with full legal compliance and will continue to provide high-quality products and services to the global market.
